

The Chronicle 2021-22

St. Francis School (ICSE) **LOCKDOWN** *Memories*

Rev. Bro. Paulus Moritz CMSF
Founder of the Franciscan Missionary Brothers
(29 June 1869-19 November 1942)

SOCIETY OF THE CONGREGATION OF FRANCISCAN BROTHERS

OUR VISION

To lead every child
to **WISDOM** through
an enlightened learning ambience
wherein Franciscan values of
Peace, Love and Hope
are instilled and integrated.

OUR MISSION

To educate every child,
promoting high-quality
educational environment,
holistic development,
academic excellence and
responsible global citizenship.

Our School Anthem

Lord, make me an
Instrument of your peace.

Where there is hatred,
let me sow love.

Where there is injury, pardon,
Where there is doubt, faith,
Where there is despair, hope,
Where there is darkness, light
And where there is sadness, joy.

O, Divine Master, grant that
I may not so much seek
To be consoled as to console,
To be understood as to understand;
To be loved as to love;
For it is in giving that we receive
It is in pardoning that
We are pardoned;
And it is in dying that
We are born to eternal life

-ST. FRANCIS OF ASSISI

Opportunities to find 'deeper powers' within ourselves come when life seems most challenging.

- Joseph Campbell

Dear friends,

It is a matter of great pleasure that our School is bringing out its new edition of the Chronicle. The global Covid – 19 pandemic unexpectedly entered our lives and put everything to a halt. It affected the lives of people around the world, bringing a flood of tension and worries followed by negative thoughts and piles of weariness. Before our world was taken over by this virus, our plans did not include words like, 'social distancing', 'quarantine' or 'shelter at home'. We felt secure in our day to day lives.

It is said in the Holy Bible 'We can make our plans but the Lord determines our steps.' (Proverbs 16:9)

So, even though we have found ourselves living very different lives than what we had planned, life goes on. The blessings from God still fall. Life imposes things on us that we can't control, but we still have the choice of how we're going to live through this. One day this too shall pass and we will be grateful for life in ways we never felt possible before. As Principal of the school, I feel honoured and privileged to be a part of an educational institution where every member is a learner and everyday is an opportunity to learn and discover.

I hope that this edition of the Chronicle will showcase how learning and creativity continued here at St. Francis School (ICSE) during the pandemic and how even in the midst of the storm, we learned to dance, play, create and rediscover the joy of learning.

LOVE

Jesus said "Love your Neighbour,"
Like a friend
For love is a circle,
With no end.

The Holy Spirit gives seven gifts,
One of them is love,
Sent by 'Silent Sister',
'The Invisible Dove'!

Love everybody,
Your parents, teachers and friends
For it is an opportunity,
That love sends.

Learn to love others,
More than yourself,
To imitate our 'Franciscan Brothers'
And caring for those in need of help.

Love

Love is the key that opens hearts
Even though people are miles apart

Love makes all things easy
Even when our troubles are heavy

Love makes all things possible
When we think it's impossible

Love has the magical power
To do in anyone all we should

Love is sweetest love is true
Love is this, love is there

LOVE

In today's times
When the future is unclear
All we have is love in our hearts
And the support of our near and dear

Love makes every thing beautiful
This emotion is just wonderful
Without love life has no meaning
It is the bases of our being.

Love brings sunshine
even in the rain
It brings joy,
When you are in pain.

Love comes in different forms
A love so precious
A love so true
That comes from me to you.
