OUR SCHOOL ANTHEM

**Make me a channel of your peace.
Where there is hatred let me bring your love.
Where there is injury, your pardon, Lord
And where there's doubt, true faith in you.**

**Make me a channel of your peace
Where there's despair in life, let me bring hope
Where there is darkness, only light
And where there's sadness, ever joy.**

**Oh, Master grant that I may never seek
So much to be consoled as to console
To be understood as to understand
To be loved as to love with all my soul.**

**Make me a channel of your peace
It is in pardoning that we are pardoned
In giving to all men that we receive
And in dying that we're born to eternal life.**

EDITORIAL MESSAGE

“Do not follow in my footsteps. Be original and create your own path. Be a trailblazer!”

-Tracy Morgan

Dear Readers,

We're thrilled to unveil the latest edition of our school's '**CHRONICLE**' for the academic year **2024-2025**. This publication aims to portray the latest events and happenings within our school.

Under the theme '**TRAILBLAZERS**', we put forth this journey of exploration, as we soared through the skies with unwavering determination. From earth to space, Chandrayaan 3 has been our inspiration. The school has progressed with memorable activities, enjoyable learning and a will to achieve what seems out of reach... but not impossible!

In a highly technologically advanced world, let us

endeavour to utilize every opportunity and maintain our steadfast determination to prioritize learning. It's essential to remember that the sky is not our limit but a launching pad for our limitless potential.

So, let us march forward with confidence, determination, and resilience. Together, let us embrace the spirit of innovation and exploration as we strive to achieve excellence in all our endeavours.

Thank you!

Regards,

Tr. Smita Pharne
