OUR SCHOOL ANTHEM

**Make me a channel of your peace.
Where there is hatred let me bring your love.
Where there is injury, your pardon, Lord
And where there's doubt, true faith in you.**

**Make me a channel of your peace
Where there's despair in life, let me bring hope
Where there is darkness, only light
And where there's sadness, ever joy.**

**Oh, Master grant that I may never seek
So much to be consoled as to console
To be understood as to understand
To be loved as to love with all my soul.**

**Make me a channel of your peace
It is in pardoning that we are pardoned
In giving to all men that we receive
And in dying that we're born to eternal life.**

EDITORIAL MESSAGE

“Do not follow in my footsteps. Be original and create your own path. Be a trailblazer!”

-Tracy Morgan

Dear Readers,

The **CHRONICLE** is a testament to countless hours of dedication, creativity and memories of school life put together. Today, we do not just launch a book; we ignite a journey—a journey that binds us together.

As we turn the pages of our school’s story, we find ourselves immersed in a vibrant tapestry of achievements, resilience, and growth. Our students, the heart and soul of this institution, have not merely met standards; they have set new benchmarks.

Our students have embraced challenges with unwavering determination. They have not only excelled academically but also demonstrated exceptional determination, creativity, and compassion. From securing ranks in competitive exams to organizing impactful community service initiatives, they have exemplified what it means to be true ambassadors of our school.

Our students are not content with following well-trodden

paths; they forge new ones. Their achievements are not just medals and certificates; they represent the spirit of innovation. As we celebrate our achievements, let us remember that excellence is not a destination - it is a journey. Our students have laid the foundation; now it is our collective responsibility to build upon it.

Let us challenge ourselves to surpass our own expectations. Whether it is in academics, arts, or character development, let us aim higher.

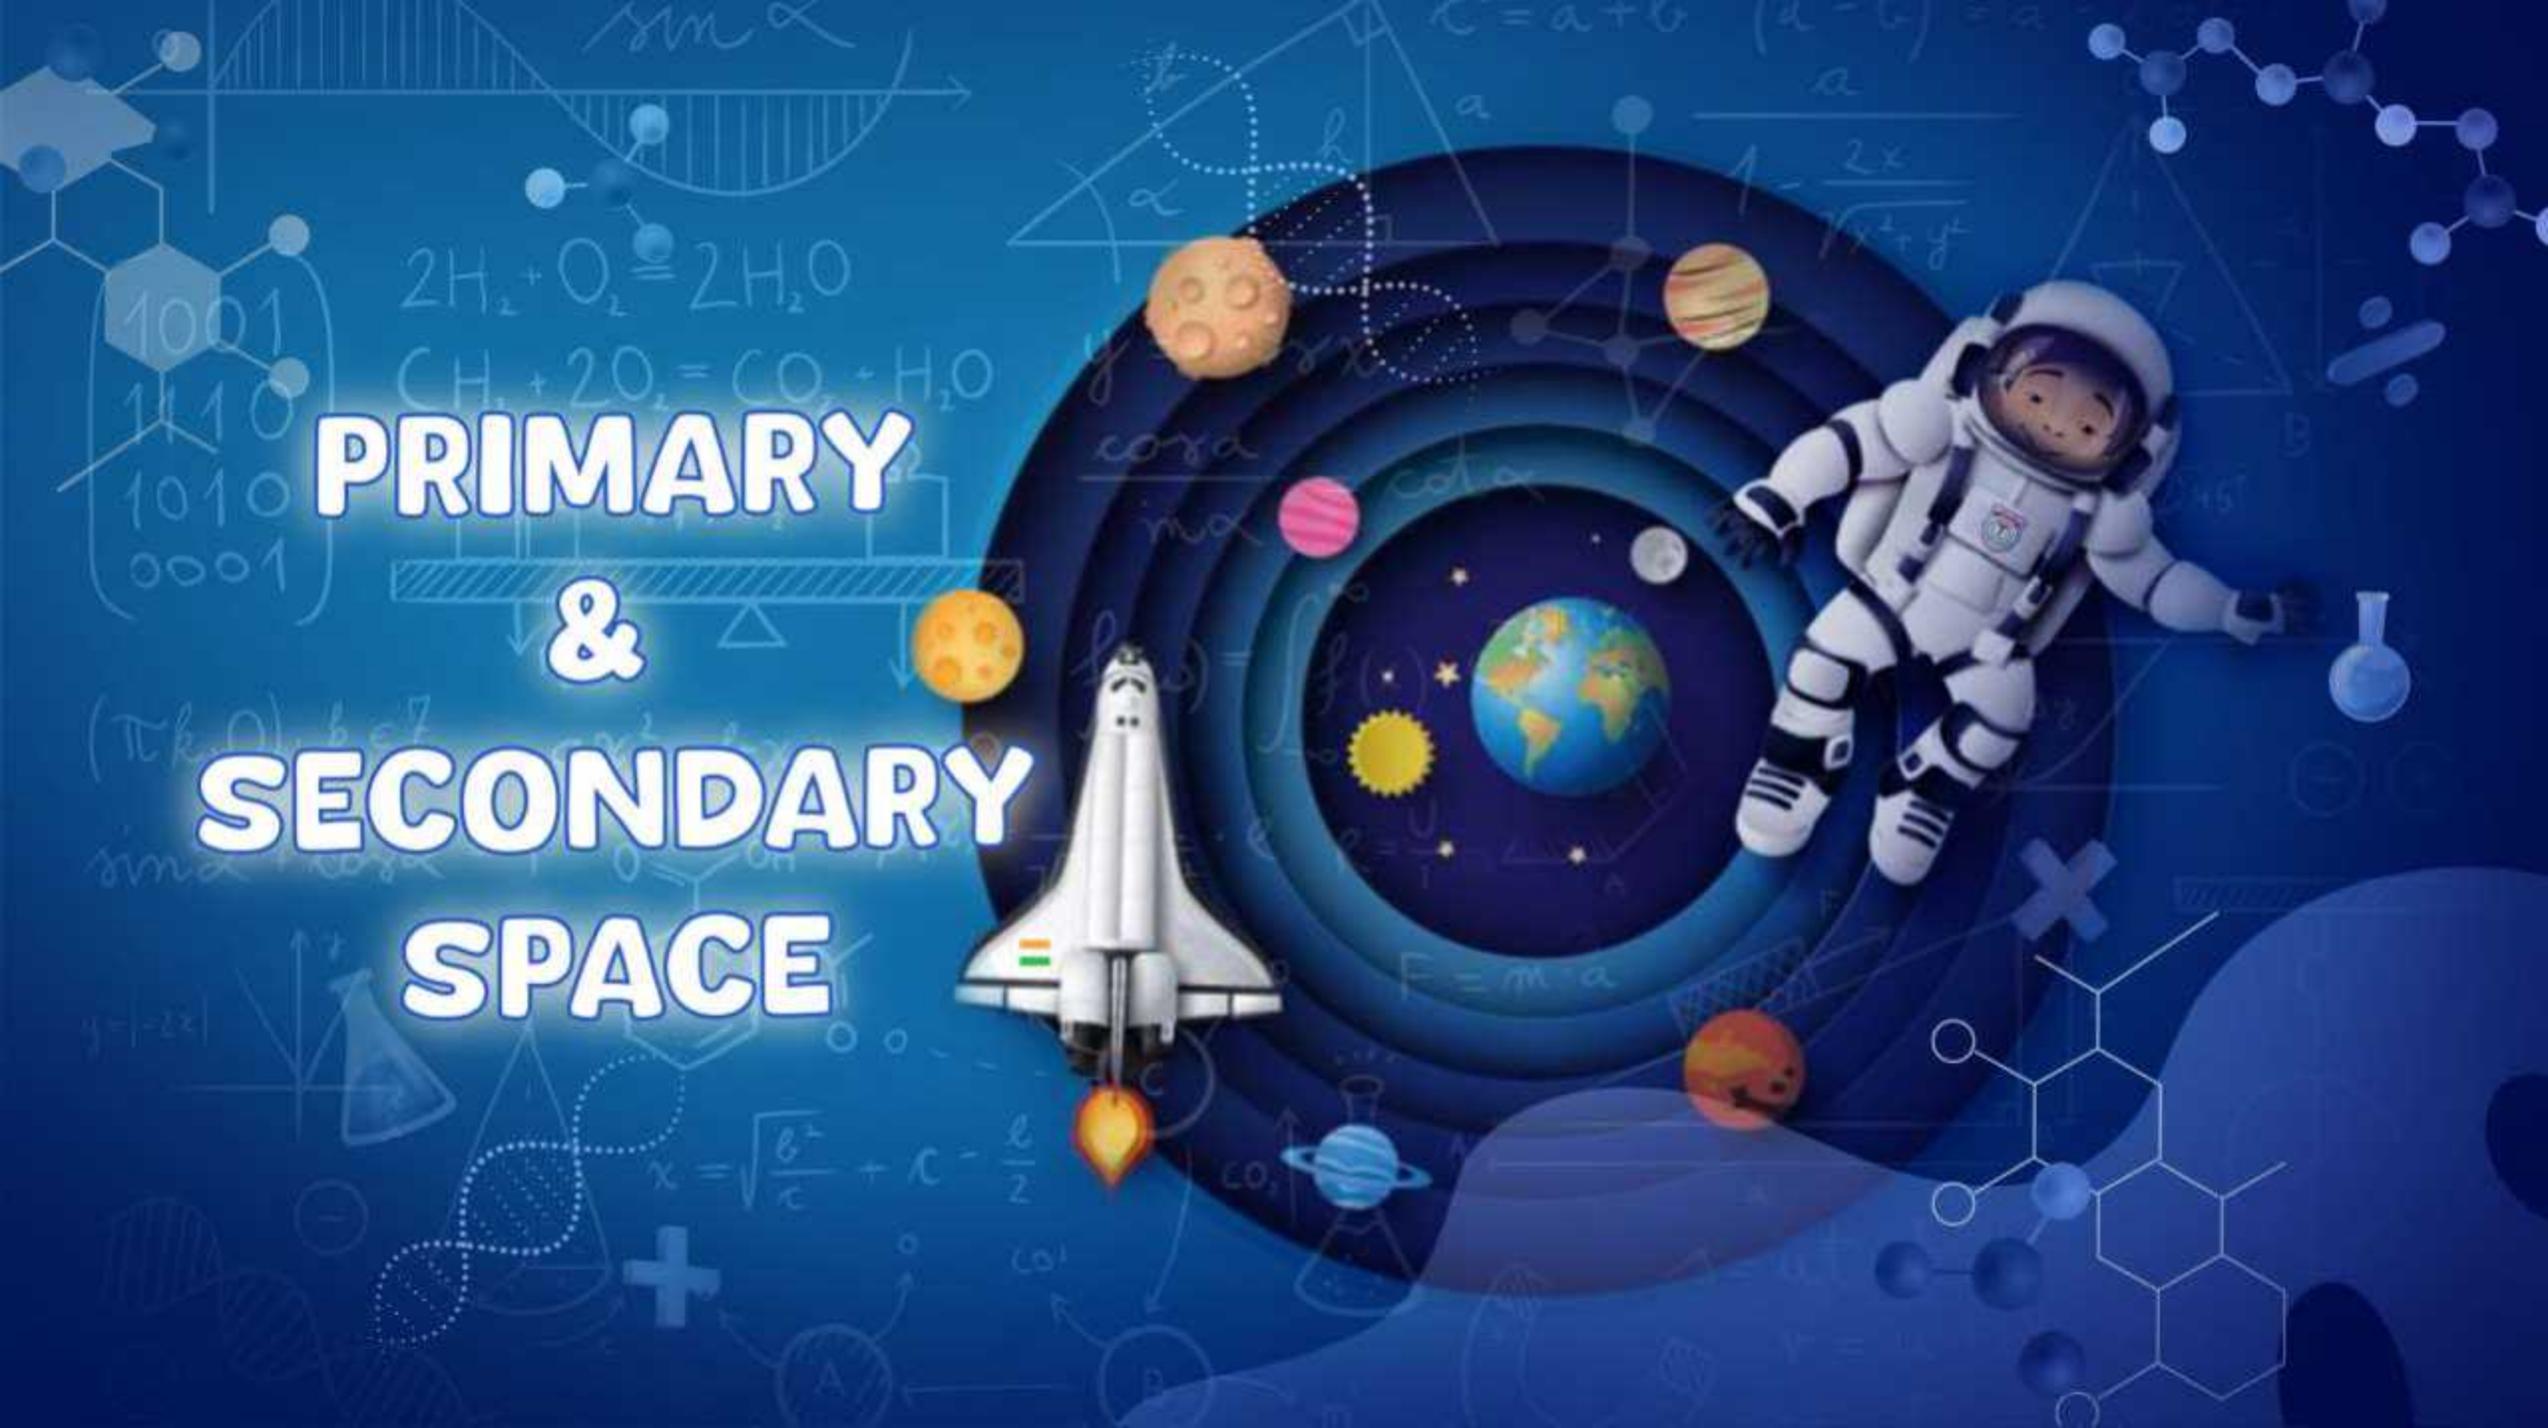

As we look ahead, let us envision a future where our school community continues to shine. Let us dream bigger, work harder, and uplift one another.

In the words of Helen Keller, “Alone we can do so little; together we can do so much.”

Regards,

Tr. Milita Martin

BEAUTY IN DIVERSITY

Mahatma Gandhi, Bhagat Singh and don't forget the rest,
Who fought so hard, standing the test,
So that we could have the best.

A country that stood in unity,
This is the Beauty in Diversity...

So much we learn from our "freedom fighters",
Who impelled us to work together,
So as to make us mightier,
Than those who made us weaker.

A country that stood in unity,
This is the Beauty in Diversity.
We are now so much greater,
Than we were before,
All because we are together.
